## Instrumental Student Resource Scheme Annual Parent Information Letter

Dear Parents/Guardians,

This letter contains important information about the **2025 Instrumental Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

- Instruction, e.g. teachers
- Facilities, e.g. buildings, amenities, furniture
- Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere, Enoggera State School operates a SRS for Instrumental Music 2025 (Band and Strings).

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees are approved by the school's P&C Association.

### SRS Participation

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

*Student is new to the school.....*

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by **6/12/2024**, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

*Continuing student of the school.....*

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

### Resource Inclusions

All resources included in the SRS are detailed in the attached [SRS Resource list](#). This is a comprehensive list of all resources included in the scheme and their associated costs for 2025.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

## Type of Resources provided

Generally, the three types of resources that could be included are:

- **Owned** – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).
- **Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).
  - work/items produced from these resources will remain the property of the student.
- **Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, laptops).
  - Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
  - A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

## Costing Methodology

The schools SRS fee is calculated based on:

1. A flat fee for all students in the school, OR
2. A flat fee for a cohort group of students (e.g. a year level), OR
3. A fee determined by the subjects selected by the individual student.

Please refer to the [SRS Resource list](#) for the associated costings.

Any unpaid invoices, will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in non-curricular activities until payment is made (<https://ppr.qed.qld.gov.au/pp/debt-management-procedure>).
