Under this agreement for 2016
Enoggera State School will receive

$105,926*

This funding will be used to
achieve the following targets in line with our school improvement program for 2016-2017:

- 50% of Prep-Year 2 students to achieve regional targets associated with high standards of reading;
- 50% of Year 1-6 students to achieve an A or B standard for English, Mathematics and Science;
- 50% of Year 3 students will be in the top 2 bands for NAPLAN reading (2016) and writing (2017); and
- 50% of Year 5 students will be in the top 2 bands for NAPLAN reading (2016) and writing (2017).

Our initiatives include

- Embed the culture, climate, processes and protocols of classroom observation and formalised feedback to support professional development and encourage reflective practice;
- Focus on individual goal setting based on data;
- Provide education for parents of pre-Prep students to support the development of oral language and early literacy and numeracy skills at home;
- Provide focussed and intensive teaching for students requiring additional support to demonstrate achievement against the year level achievement standards; and
- Implementing a case-management approach for students who are not progressing.

Our school will improve student outcomes by

- Employ an Experienced Senior Teacher to deliver intervention $20,000
- Provide TRS to enable collaborative data enquiry and case-management including participation in Lynn Sharratt professional development $40,000
- Provide TRS to enable teachers to collect and analyse reading achievement data $10,000
- Provide TRS to enable classroom observation and feedback processes $10,000
- Employ additional Teacher Aide time to support implementation of English, Mathematics and Science programs $20,926
- Invest in current resources to gather reading data $5,000
- Employ a speech language pathologist (10 days) to screen all Prep students Staff allocation
- Employ an Experienced Senior Teacher to build networks with pre-Prep providers and families Staff allocation

* Funding amount estimated on 2015 data. Actual funding will be determined after 2016 enrolment data are finalised.
