Hello and welcome (or welcome back) to Enoggera State School!

Working in partnership with the school, the Parents and Citizens Association provides parents unique opportunities to be involved with their children and the school community. Volunteering for the P&C strengthens your relationships with your child, teachers, other parents, and is rewarding on many levels.

Did You Know?

The Tuckshop menu regularly changes with the season, however we recently reviewed the menu according to the Smart Choices guidelines and we were within the Nutrient Criteria. In fact, we nailed it!!! However, that wasn’t good enough – so we made it even better.

The P&C and Rosetta, the Tuckshop Convenor, are currently looking to recruit volunteers for the Tuckshop for the 2015 school year. To help cater for our schools growing cohort, we are developing a new roster of volunteers to assist us. Without volunteers we will find it difficult to provide such a high level menu offering to the students, as higher quality foods take longer to prepare.

If you are not able to commit to a volunteer role, we ask that families contribute by providing non-perishable items. These can be dropped off at the Tuckshop on Wednesday or Friday or at the School Office any day of the week. Items needed are: Glad Wrap, Baking Paper, Alfoil, Dishwashing Liquid, Antibacterial Hand Wash, Paper Towels, Chux Cloths, Self Raising Flour, Plain Flour and Sugar (Brown or White).

Please complete this slip and return it to the School Office or Tuckshop
